8 Plaintiff(s),

Case No. 2:19-CV-209 JCM (NJK)

9 v.

ORDER

10 NPSG GLOBAL, LLC.,

11 Defendant(s).

12
13 Presently before the court is the matter of *Reese v. NPSG Global, LLC, et al*, case no.
14 2:19-cv-00209-JCM-NJK.

15 On September 11, 2019, defendant NPSG Global, LLC ("NPSG") filed a motion to
16 extend time to file an opposition (ECF No. 55) to plaintiff Devonte' Reese's motion to certify
17 class (ECF No. 52). Reese's motion was filed September 6, 2019, so NPSG's present deadline to
18 file its opposition is September 20, 2019, pursuant to Local Rule 7-2(b).

19 NPSG represents that it will need more than two (2) weeks to respond to Reese's motion
20 because it could not begin to investigate the specific factual allegations upon which Reese's
21 claims are based until his motion was filed, and because further investigation is necessary to
22 respond to Reese's claims about the number of potential class members. (ECF No. 55). NPSG
23 further represents that its counsel has a scheduling conflict related to a September 11
24 presentation and a pre-planned September 12–16 vacation, both of which limit counsel's ability
25 to prepare an opposition. *Id.* Good cause appearing, the court will grant NPSG's motion to
26 extend time.
